

**Philippolis Legacy:
Charges for information search and collation**

This will be done only after a high-level scan, to let you know what we have available (this is done at no cost).

1. Data search and compilation from Excel data-bases: R200.00.
2. Literature search and compilation from other sources (including books): R200 - R500, depending on the extent of work required.
3. Compensation claims: Photos provided via WeTransfer or Dropbox: R300 per compensation claim. (Each claim consists of between 10 and 40 photographs).
4. Other photos in our collection: R100 each.
5. Photos specially taken for you: R200 each.

We will send you a quote and invoice before we undertake the work.
